# THE BIG STORE SIEGEL & COOPER CO. SIXTH AVE. MEET ME AT THE FOUNTAIN 18-19 STS.

## Ready for Christmas.

As if by the touch of some magic wand, The Big Store stands transformed into a gigantic holiday bazaar. A glance happens to fall it will rest upon something new and beautiful. Every polite mart in the world has contributed to this peerless collection—the equal of which we can confidently proclaim no other store in the world has ever prepared for its patrons. But all this takes room—much room, and just so much as the room devoted to some lines has to be expanded just so much other lines must be contracted. That stands to reason. In order to obtain for holiday goods every inch of available space, we have arranged for Monday a series of very special sales, the purpose of which is to remove such lots of goods as we at present have no proper display room for. Many a wonderful bargain gem will be here as the result of this condition of affairs, so don't fail to carefully note the values herewith submitted for Monday's sale.

**Special Notice.**—We call your attention to the fact that you can make your Xmas purchases now—out of full stocks and at your leisure—avoiding the crowding and jostling of the holiday season proper—and we will arrange to deliver your purchases on whatever day in December you desire to have them. Please remember, too, that the Big Store is the only absolutely fireproof—therefore safe—store in New York.

**Special Sale High Grade Whiskeys.** "Straight" whiskey is a term used in the trade to designate the product of the distillery as it comes from the still, and subjected only to the refining influences of age.

Thousands of dealers are most anxious to prove to you that their particular "blend" of whiskey is the only good thing on the market, whereas the fact is that in most cases the "blending" is only done to cheapen the goods and increase the profit. Believing that many people prefer to take these whiskeys exactly as they are made and aged by the best distillers in the world, we have organized this Special Sale to meet that demand. All whiskeys will be drawn from the original packages.

We sell Whiskey for the gallon for less than wholesalers sell it for by the barrel.
